

Autism Solution

See RESULTS from day ONE

Autism Cure Series

Worksheet#12

Part A) : BEFORE watching the Video

1)Does your autistic child have gut issues and/or is a picky eater and/or has gluten or casein sensitivity ? If Yes, why do you think your child has any or all of these ? If no, why do you think your child does not have these issues related to the gut or appetite for food?

2)What do you think is the cause for the Gut Issues in Autism?

3)Have you tried any medicines or alternative medicine approaches to help your child with the gut issues? If so, how effective have they been? If they were very effective, Why do you feel they were effective. If they were not effective, why do you think they were not effective?

Part B) : AFTER watching the Video

1)What do you think is the cause for the Gut Issues in Autism now?

2)What do you think will help your child become completely free from the gut issues?

3)Are you aware of any "Toxic thoughts" or "Toxic Emotions/Feelings" within yourself, your spouse or your child? If so why do you think they are present and is there anything you can do about them?
