

**Autism Solution**

See RESULTS from day ONE

# Autism Cure Series

## Worksheet#14

### **Part A) : BEFORE watching the Video**

1)Does your child have SPD or Sensory Issues? If so, what do you think are the cause(s) for the same?

2)Do you think the sensory issues in your child can be cured completely and permanently? If yes, how? If no, why not?

### **Part B ) : AFTER watching the Video**

1)What is HSI ? Do you think your child has it ? Do you think YOU or your Spouse has it ?

2)Do you think there is lot of "Pollution" in the world today? If so, what kind of "pollutions" do you think are there and do you think you need to "get used" to it ? Or, do you think they can be solved completely?

3)Do you think your autistic child has been affected or is being affected by "pollutants" ? If yes, what are they ? If no, why do you think pollution has no role to play in the sensory issues in your child?
