

Autism Solution

See RESULTS from day ONE

Autism Cure Series

Worksheet#23

Part A) : BEFORE watching the Video

1) Do you think Autism is a Genetic Disorder? If yes, why do you think so? If no, why do you think so?

2) Have you heard of the term Epigenetics? If yes, when and where did you first hear about it?

3) What is your understanding about the term 'Genetic Disorder'? Can Genetic Disorders be cured?

Part B) : AFTER watching the Video

1) Is Autism a Genetic Disorder?

2) Is it important for you to know if autism is a genetic disorder or not? If yes, why does it matter to you? If no, why does it not matter to you?

3) Do you think autism can be "cured" with Epigenetics?
